2025 -Alex Crossan

Alex made a large scale artwork, and there were three others that were also hung in the Barn during the Festival. 2m x 2m (?) This was the first year T-Shirts were made, and the first time we contracted a site stylist (Charlotte Bell) to style using the colours and themes of the commissioned artist's work.

2024 - Leigh Rigozzi

Leigh produced many ideas and drafts, and had enough work for an exhibition. Funds from the Public Art program were allocated to transform the Rosny Farm storage shed.
